What Our Customers Say

“Invevo created a bespoke solution to meet the unique needs of each part of our business—something most solutions can't handle. Now, our accounts teams follow a consistent and traceable process, regardless of location or business unit.”

ELISABETH DOPPELHOFFER
GLOBAL HEAD OF COLLECTIONS

“With Invevo, we’ve gained the live credit information and business insight needed to make data-informed decisions, be proactive rather than reactive, deliver money in the bank and keep Adecco ahead of the competition.”
