- Office of the CEO
- Global Process Owners
- Shared Service Centres
- Commercial & Sales Teams

TIME TO VALUE

How We Deliver Value Fast

A woman with glasses and a headset is sitting at a desk in a dimly lit office, looking out a window. The scene is bathed in a soft, purple light. The window has a grid pattern. The woman is wearing a light-colored, striped button-down shirt. Her hair is styled in braids. The overall atmosphere is professional and focused.

Typical Implementation Timelines

Low Complexity = 1 Week – Out the Box

Medium Complexity = 2 weeks – Bespoke Configuration

High Complexity = 4 weeks – Complex Data Structure

Simple Pricing Low Cost Change

- ✓ Super users trained to make changes (low to no IT costs)
- ✓ Adjust workspaces, workflows and data model all through configurations
- ✓ Low set up fees, no hidden costs, no long terms contracts

Don't just take our word for it
What Our Customers Say

"Invevo created a bespoke solution to meet the unique needs of each part of our business—something most solutions can't handle. Now, our accounts teams follow a consistent and traceable process, regardless of location or business unit."

ELISABETH DOPPELHOFER
GLOBAL HEAD OF COLLECTIONS

"With Invevo, we've gained the live credit information and business insight needed to make data-informed decisions, be proactive rather than reactive, deliver money in the bank and keep Adecco ahead of the competition."

ANNA MORRIS
GLOBAL PROCESS OWNER
